**MUNICIPAL RENTAL  
STOCK  
TARIFFS  
2018/2019**

PROPOSED

## **DRAFT MUNICIPAL RENTAL STOCK: RENTAL INCREASE**

**18/24/1**

**Mhous**

### **PURPOSE**

To request Council to increase rental on municipal rental stock – Orkney and Randelspark.

The municipality has rental stock situated at Orkney (64 rental Units) and Randlespark (38 rental units) both totalling to 102 units for rental purposes.

The rental stock under review are rented out to indigent residential tenants, who depends on social grants as a source of income for a living. Tenants are currently paying R315.00 as rental.

However many factors influences rental values in most property markets. These include interest rate, inflation, affordability, infrastructure, government Tax, and supply and demand. This municipal rental stocks are a durable asset. Just like all kinds of investment, the municipality as an investor of housing in the rentals under review have to consider both the benefit of such investment as well as the opportunity cost of doing so.

Premised from the above, it should be noted that in determining the increase of rental to the current and prospective tenants, the municipality considers the socio-economic status of the residential tenants.

### **RECOMMENDATIONS**

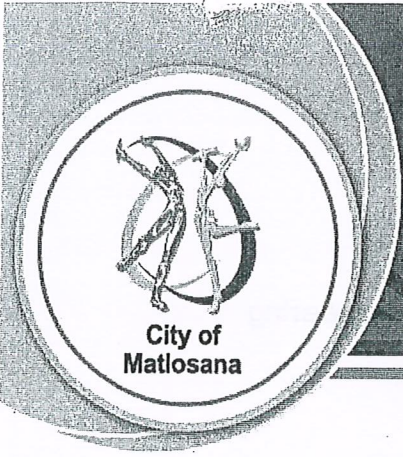

- a) That Council take cognisance of the current rental charges of R315.00 on the municipal rental stock.
- b) That Council take cognisance of the socio-economic status of the residential tenants on municipal rental stock
- c) That Council approve rental increase on rental increase by 5%, which will be a total payable amount of R330.00 per month.
- d) That the increase at (c) above be reviewed annually.
- e) That the proposed tariff increase be subjected to Council prices.
- f) That the 5% increase be effective from 01 July 2018
- g) That the Human Settlement department inform the tenants in writing about the increase.
