1. INTRODUCTION

The 2016/17 Annual Performance report is hereby submitted by the Municipal Manager in terms of section 121 of the Municipal Finance Management Act, (56 of 2003) as amended, read with the Municipal Systems Act, (32 of 2000) as amended, Section 46(1) and (2) as well as the Municipal Finance Management Act, Circular 11 and 63 on annual reporting.

The Municipal Planning and Performance Management Regulations (2001), Chapter 3, Section 7, stipulates that a "municipality's performance management system entails a framework that describes and represents how the municipality's cycle and processes of performance planning, monitoring, measurement, review, reporting and improvement will be conducted, organised and managed, including determining the roles of the different role-players".

Council adopted the Performance Management Framework and Policy during the 2007/08 financial year. The Performance Management Framework and Policy was reviewed and amended (3rd edition) by Council on 28 July 2015 (CC 51/2015).

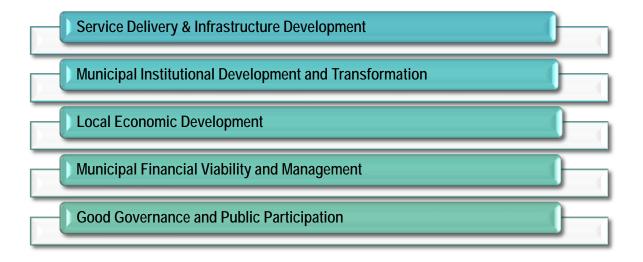

The Municipal Systems Act, (Act 32 of 2000) as amended, stipulates the following:

Annual performance reports

- 46. (1) A municipality must prepare for each financial year a performance report reflecting
 - (a) the performance of the municipality and of each external service provider during that financial year;
 - (b) a comparison of the performances referred to in paragraph (a) with targets set for and performances in the previous financial year; and
 - (c) measures taken to improve performance.
 - (2) An annual performance report must form part of the municipality's annual report in terms of Chapter 12 of the Municipal Finance Management Act."

This report covers the performance information from 1 July 2016 to 30 June 2017 and focuses on the implementation of the Service Delivery Budget and Implementation Plan (SDBIP), in relation to the Integrated Development and Plan (IDP).

The report will also reflect on the municipality's performance in terms of the five (5) National Key Performance Areas for local government, which are:

In the year under review the City of Matlosana had seven Directorates:

- Strategic Planning, Monitoring and Control.
- Civil Services and Human Settlements.
- Electrical and Mechanical Engineering.
- Municipal and Environmental Services.
- Corporate Services.
- Macro City Planning and Development.
- Finance.

2. INSTITUTIONAL PERFORMANCE MANAGEMENT PROCESS OVERVIEW

During the 2016/17 financial year, the City of Matlosana has continued to maintain effective performance management operations of the following processes:

- ▶ The 2016/2017 SDBIP was approved by the Executive Mayor.
- Performance agreements with performance plans were developed, signed by the senior managers and approved as required by the Municipal Performance Regulations, 2006.
- Quarterly performance reports with supporting evidence were prepared by managers directly reporting to the Municipal Manager.
- ▶ A mid-year budget and performance assessment in terms of section 72 of the Municipal Finance Management Act, which informed the adjustment budget and revised Service Delivery and Budget Implementation Plan, was performed.
- Implementation of Performance Management System by creating an organisational culture of performance monitoring and evaluation.
- ▶ Setting Key Performance Indicators (KPI's) that are Reliable, Well-defined, Verifiable, Cost-effective, Appropriate and Relevant.
- ▶ The developing and setting of targets that comply with the SMART principle by being Specific, Measurable, Achievable, Relevant as well as being Time-bound.
- Stronger / clear linkage between IDP, Budget, SDBIP and Annual Report.
- Regular reporting on organisational performance, to aid in the monitoring of performance and to identify instances were corrective actions may be needed.

3. AUDITING OF PERFORMANCE INFORMATION

The Municipal Systems Act, 2000 as amended, section 45 requires that the results of performance measurements in terms of section 41 (1) (c), must be audited as part of the internal auditing process and annually by the Auditor-General. All auditing must comply with section 14 of the Municipal Planning and Performance Management Regulations, 2001.

Council's Internal Audit Section is responsible to perform this function. As part of their scope, auditing of the Performance Management System and Information was performed and reports received for each quarter in terms of the following:

- Identify non-compliance with the relevant laws and regulations in the overall performance management system, processes and procedures.
- Document the understanding obtained of the performance information system, processes and procedures.
- Document the understanding of risks that exists in the detailed performance management process per selected development priority.
- Assess, review, test and verify the consistency, measurability, relevance and presentation of planned and reported performance information.
- Review scorecards on a test basis to supporting evidence on a sample basis.
- Record the system that is used to generate the performance information.
- Ensure compliance with the requirements of the PMS regulations.
- Ensure the accuracy and validity of the information included in the annual report based on the evidence inspected, on a sample basis.

On 21 October 2014 Council approved the merger of the Audit and the Performance Audit Committees in line with section 166 (b) of the MFMA (CC 122/2014 dated 21 October 2014).

The primary objective of the Audit Committee is to advise the municipal council, political office—bearers and assist the Accounting Officer and management staff of the municipality in the effective discharge of their responsibilities with regard to risk management, internal control and governance, and the ultimate aim of the achievement of the organisation's objectives.

The Audit Committee is an independent advisory body that performs its functions in terms of Section 166 of the Municipal Financial Management Act (MFMA) 56 of 2003 and King III Report on Corporate Governance.

4. REMEDIAL ACTIONS FOR PERFORMANCE MANAGEMENT

In order to ensure that performance planning, implementation and reporting is effective, it is recommended that the following remedial actions be maintained during the 2017/2018 financial year:

- Management to discuss monthly progress of the SDBIP as a standing agenda item at their top management meetings and that portfolio of evidence of each meeting be kept.
- ▶ The SDBIP to be discussed as standing agenda items to gauge performance of each department's challenges as in when they are reported to be resolved to assist the municipality to achieve its objectives.
- That management keep to the proposed schedule of top management meetings
- ▶ The accounting officer to review the quarterly performance reports to ensure that quarterly performance targets are achieved as per the SDBIP.
- ▶ That the quarterly reports submitted without portfolio of evidence not be accepted and that the relevant director be informed to comply.
- ▶ That quarterly performance reports be submitted as per dates contained in the Performance Action Plan.
- ▶ That the quarterly performance assessments of performance of managers directly reporting to the Municipal Manager as well as the Municipal Manager's performance be conducted as required by the performance regulations.

5. ISSUES RAISED IN THE 2015/16 AUDITOR-GENERAL'S REPORT

The Auditor-General's report contained the following statement

- "23. Although I identified no material findings on the usefulness and reliability of the reported performance information for the selected key performance area, I draw attention to the following matters:
- 24. Refer to the annual performance report on pages 137 to 213 for information on the achievement of the planned targets for the year.
- 25. I identified material misstatements in the annual performance report submitted for auditing on the reported performance information for key performance area 1: Basic service delivery and infrastructure development. As management subsequently corrected the misstatements, I did not identify any material findings on the usefulness and reliability of the reported performance information."

6. ANNUAL PERFORMANCE INFORMATION

The Annual Performance Report must be presented to the Auditor-General for auditing together with the Annual Financial Statements on 31 August 2017.

The following is reported on:

- IDP and Capital Projects
- Operational Indicators
- Outcome 9 Indicators of National Government
- National Key Performance Indicators

The Annual Performance Report for the 2016/17 financial year reflects the performance of the municipality and directorates in a table format, measured on the approved KPI's and targets, as contained the IDP and SDBIP. The achievements, reasons for deviation and planned remedial action are reported by the respective directorates on a quarterly basis.

Data provided on the Performance Management System is supported by relevant evidence captured and maintained by the directorates proof of evidence – (POE's).

6.1 Organisational Performance Results

The table below encapsulates the high-level summary of the municipality's 2016/17 performance results with regard to each of the development priorities:

The 2016/17 percentage is 1% higher as compared to 2015/16 financial period.

7. CONCLUSION AND APPROVAL OF BY THE MUNIICPAL MANAGER

During the 2016/17 year the overall performance results currently reflect a 71% success rate caused by mixed performance results of departments in implementing the SDBIP. The 2016/17 percentage is 1% higher as compared to 2015/16 financial period.

The municipality will continue improving on its performance management system, particularly, in the application of the SMART principle. Challenges still exist on accurate and timeously performance information as well as reporting meaningful deviations and remedial actions for all the targets not met on a quarterly basis.

The continuous support rendered by the PMS Unit to the various directorates quarterly, will improve the organisational culture towards performance management so as to eliminate the hindrances to proper planning and to enhance accurate and credible monitoring and reporting on performance.
