

# **NEW PRE-PAID VENDING SERVICE PROVIDER TO COMMENCE IN AUGUST**

The City of Matlosana has appointed a new service provider, Spectrum Utility Management (Pty) Ltd, for a period of three years to render management of a prepaid electricity vending system for the City of Matlosana. The contract is expected to commence in August 2022.

Spectrum Utility Management (Pty) Ltd replaces Cigicell (Pty) Ltd that is currently providing services for the City.

Spectrum Utility Management (Pty) Ltd is authorised to sell electricity for the City of Matlosana, and has contracts with credible retailers who sell prepaid electricity in various markets like Shoprite, Pick and Pay etc.
