During the event the keynote speaker MMC for Community Services, Cllr Mendela said" This month of August, South African commemorates Women's Month as a tribute to the more than 20 000 women who marched to the Union Buildings on 9 August 1956 in protest against the extension of Pass Laws to women.This is an opportunity to celebrate women's achievements and the important role that women of all races and religions have played and continue to play in South African society. Also we should pray and fight against sorts of abuse".
